## Up-Coming Events

May 2 Big Hole Scramble

May 16-17 Men's Spring Buddy

## World Handicap System

As many of you have already heard, The IGA is now using the World Handicap system to calculate your Golf Handicap starting this year. While at first it may seem very confusing, you will not have to do anything different than last year. This new system should make multi-tee events more equitable than the past, be more reactive to play since the hcp will be updated daily.

## 2020 MEN'S LEAGUE

It's not too early to start thinking about the 2020 Men's league, which will again be played on Monday nights this year.

The organizational meeting for the league will be Monday, April 15 @ 6:30pm

Men's league is a great way to meet members and play in a friendly competitive league. Returning players can reserve their spot beginning on March 1, 2020

New teams may sign up starting April 1, 2020

## DRIVING RANGE

The Driving range will open mid to late March weather permitting. We will be using the mat for the first few weeks. Grass tee area will open as soon as the weather allows.
